

Overview

The Georgia Department of Corrections (GDC) has contracts with two private companies, The GEO Group, Inc. and Corrections Corporations of America (CCA), that house 5,376 state offenders.

- In 1997, the GDC entered into a contract with CCA to build and operate private prisons in Alamo, Millen and Nicholls
- In 2011, the GDC entered into a contract with the GEO Group to build and operate a private prison in Milledgeville
- At each facility, the Department has a full-time Private Prison Monitor on-site
 - Oversees the facility's operations to ensure that all contract conditions are met
 - Oversees the facility operates with a continuous focus on sanitation, safety and security.
- Offenders housed at these facilities work on full-time details and are afforded the opportunity to participate in a wide variety of educational classes and counseling programs
